GREENFIELDS OUTDOOR FITNESS: EXPERIENCE HIGH-LEVEL TRAINING IN THE OUTDOOR ENVIRONMENT

Greenfields Outdoor Fitness proudly supports the U.S. Armed Forces with outdoor training circuits designed to keep our military in top form.

Our rugged, American-made units stand up to years of constant use in all environments.

Greenfields Outdoor Fitness specializes in custom-designed layouts tailored to each project's individual space and training requirements.

Used by troops from all U.S. military branches on bases across the continent and worldwide, Greenfields is the ideal solution for training in the outdoor environment.

CAN'T FIND WHAT YOU'RE LOOKING FOR?

We can meet the individual needs of your base or unit with equipment designed to your specifications.
